4.0. The included C compiler is a BSD style C compiler. The included RE and include. Serial-Included. and starting serial. It can function and display a serial frame including 8 byte or 2 byte, as well as.A Rose Hill, Minnesota, man claims he woke up from a nap to discover that his wife was making out with another woman who was also in the same home. Joseph Jenson, 40, told WCCO he discovered his wife kissing and licking her friend's vagina while they were in bed on Aug. 6. "When I woke up, both of them were in bed together," Jenson said. "She was kissing her and licking her parts." Jenson said he was able to take a couple of pictures of the scene using his phone before his wife jumped on him and struck him in the head with her keys. Jenson told police he kicked his wife in the stomach and neck as she held a knife to his throat and threatened to slit his throat. Jenson told police she threatened to slit his throat, and stated that he was going to kill her, according to the report obtained by Daily Mail. The Rose Hill Police Department arrested 25-year-old Michelle Carber of Rose Hill, Minnesota, at her residence on Aug. 14. Jenson described Carber's friend as a "Goth," while police described Carber as being heavily tattooed. According to the report, Carber's first name is a popular girl's name, while her last name begins with a Y. According to the Daily Mail, Carber was charged with two counts of violating a protective order, two counts of domestic assault by strangulation and two counts of domestic assault by kicking or beating. She also has a history of misdemeanor domestic abuse. The investigation is still ongoing, and Jenson told WCCO that his wife will not be charged with a crime.Q: How to auto delete STOMP messages after a specified time I am trying to delete messages from the STOMP container. I'd like to delete the messages after 1 hour (300seconds). I am using the below Java code to delete messages from a STOMP container: container.deleteMessages(); How can I specify the number of seconds after which the messages are deleted? A: f678ea9f9e
